A Hub for All Purposes

The Compact All-Round Solution

The slim USB hubs from Goobay boast a transfer rate of up to 10 Gbit/s and numerous port combinations with USB-C™ and USB-A. Compatible with USB devices at home and in the office, the hubs expand individual laptop ports, for example, to up to five connections for excellent user-friendliness at the desk. The performance pros are also top of the class in terms of quality: The robust aluminium housing with a matt finish gives the devices an elegant look and impresses with its silky-smooth feel that makes quality palpable.
